CHAVANA SPA ANNOUNCES OPENING OF A NEW SPA AT ADAARAN SELECT HUDHURANFUSHI, MALDIVES.

July 3, 2014, Kuala Lumpur, Malaysia... Chavana Spa is proud to announce the opening of a new spa facility at Adaaran Select Hudhuranfushi in the Maldives.

Chavana Spa features four double treatment rooms with outdoor bath and shower. The treatment rooms are arranged around a central courtyard, which occupies an inviting open air reception space, a manicure-pedicure room, and a retail boutique and lounge. The boutique is dedicated to quality spa products, inviting you to continue your spa journey at home. Amidst the landscaped gardens and pleasant shade from large trees surrounding the spa, three outdoor timber pavilions allow you to experience relaxing treatments in a unique setting.

Face and body treatments influenced by Balinese healing traditions are available, including the signature four hands Chavana Massage, a fusion of global massage techniques. Elemis Spa-therapies, from the luxury British spa and skincare brand, are also available, inviting guests to indulge in result-driven treatments using superior ingredients combined with scientific solutions for skincare concerns.

The award-winning Elemis Pro-Collagen Quartz Lift Facial is featured, complemented by Elemis Skin IQ+ Facial for Men and Elemis Exotic Lime & Ginger Salt Glow.

“We are very excited for the opportunity to continue our collaboration with the Adaaran Resorts Group in the Maldives, with this new spa opening”, said Jeff Mathews, President and Chief Operating Officer of Mandara Spa Asia Limited. “We look forward to offering our exceptional spa services to guests of this new location”, he added.

Adaaran Select Hudhuranfushi is conveniently situated in North Male Atoll, just 19 kms from Male international airport; a speedboat covers this distance in a mere 30 minutes. The beautiful surroundings of the island create the backdrop of a pristine tropical paradise and border an immense scenic lagoon with inviting turquoise waters. Hudhuranfushi is particularly noted as a superb destination for surfing, with many avid surfers frequenting the area.

Chavana Spa offers a streamlined treatment menu that welcomes all to experience the freshness and energy of Balinese spa spirit. The Chavana concept is aimed at four and five star hotels and resorts and is intended to allow guests to enjoy a quality spa experience at a reasonable price.
